Dear Gerwyn,

One thousand streets have been registered for prayer!

As we reached this milestone, I could not help but think that the only number that matters is one. One person, praying, week after week, maybe even year after year, believing that on their one street, prayer can make a difference.

At the same time, to reach our goal of seeing every street in the UK prayed for, it is necessary to record the streets, so that we can target areas where there is less prayer in the future. There are approximately 260,000 streets in the UK, and our aim is to see Christians taking responsibility for each street in prayer. Not only praying for, but living lives that shine God's love into dark places. Will you please help us spread this vision where you live?

We believe that if everyone takes responsibility for praying for and caring for their neighbours, that God could use this prayer network, together with many other Christian initiatives, to genuinely transform this nation. We see the news, which most often beams depressing, overwhelming problems into our homes. Yet, if we just look at our own street, pray for our own street, I believe that many of us doing this across the nation can make a real difference.

Thank you, for all the prayer that you have already done, for the acts of kindness you have already shown and for the faith that you already have, to see your street transformed!

£10 + P&P

Over Christmas, the postcode co-ordinator for Portishead, forwarded over forty streets in this area that people had signed up to pray for. This represents a significant proportion of streets in this area. I would like you to join us in praying specifically for Portishead, for a release of God's Kingdom, on Earth, as in Heaven over Portishead.

If you would like to forward us a list of streets your church is praying for, please email and send us a list of the streets and the postcodes. We will input the data into the map for you. If people want us to send this newsletter, we will also need their email address as well.

Every Blessing

## Today is Neighbour Friday

### PRAYER

Isaiah 40: 30-31

Lord, I pray for those of all ages living on my street, who are weary of the pressures of life. Renew their strength. Help me to persevere to see my street changed.

Prayer Challenge: Make a regular appointment with God. Talk to him about any and all things bothering you this week.

### CARE

Ask God if there is any house or person, he would like you to pray about for the next few weeks.

### SHARE
