

January 2024

We are a lively and growing community church based in Portishead, near Bristol, and are the home of Cludo & Challengers!

We love Jesus and we love Portishead. There are lots of opportunities within GVC to connect with others and discover the reality of a personal and life-transforming relationship with Jesus.

We are excited to get together every Sunday, including groups for children & young people. Come and meet with us in person (at Gordano School) or join us online via our live-stream.

We will be Live Streaming our services (excluding Second Sundays) so you can watch at 10.30am on YouTube or the GVC website. You can also watch it later in the week...

The cameras will be positioned to focus on those leading the service from the front (centre mic, band, speaker), and participatory elements at the front, where children may be invited to the front to join in. If you do not want your child's image to be included, please make sure that your child is aware of this. It is your responsibility as a parent to encourage them not to come to the front during a service. We will do our best to support you in this.

We will NOT be filming participation during communion.
